Workshop on New Trends in Quantum Dynamics and Quantum Entanglement | (smr 2295)

Wednesday 23 February 2011

Lie algebraic methods for the analysis and control of quantum systems: Applications to quantum walks (17:15-17:50)

time	title	presenter
17:15	Lie algebraic methods for the analysis and control of quantum systems: Applications to quantum walks	D. D' ALESSANDRO
