

**Workshop on New Trends in Quantum Dynamics and Quantum  
Entanglement | (smr 2295)**

Contribution ID : **40**

Type : **not specified**

## **Permutationally invariant quantum tomography**

*Thursday, 24 February 2011 14:35 (0:35)*

### **Content**

### **Summary**

**Primary author(s) :** G. TOTH (The Univ. of the Basque Country, Theoretical Physics, Bilbao, Spain)

**Presenter(s) :** G. TOTH (The Univ. of the Basque Country, Theoretical Physics, Bilbao, Spain)

**Session Classification :** Permutationally invariant quantum tomography
