

# Quantum computational capability of a two-dimensional valence bond solid phase

*Thursday, 24 February 2011 17:15 (0:35)*

## Content

## Summary

**Primary author(s) :** A. MIYAKE (PI Perimeter Inst. for Theoretical Physics, Waterloo, Ontario, Canada)

**Presenter(s) :** A. MIYAKE (PI Perimeter Inst. for Theoretical Physics, Waterloo, Ontario, Canada)

**Session Classification :** Quantum computational capability of a two-dimensional valence bond solid phase
