

# Large scale variational Bayesian inference and decision making for continuous variable models - I

*Monday, 27 August 2012 10:00 (1:00)*

## Content

## Summary

**Primary author(s)** : M.W. SEEGER (EPFL, Lausanne, Switzerland)

**Presenter(s)** : M.W. SEEGER (EPFL, Lausanne, Switzerland)

**Session Classification** : Large scale variational Bayesian inference and decision making for continuous variable models - I
