

## **Generalized Reed-Muller codes and the Smith form of projective incidence matrices**

*Friday, 14 September 2012 14:00 (1:00)*

### **Content**

### **Summary**

**Primary author(s) :** RICHARD M. WILSON (INTRODUCED BY W. HAEMERS) (California Institute of Technology, USA)

**Presenter(s) :** RICHARD M. WILSON (INTRODUCED BY W. HAEMERS) (California Institute of Technology, USA)

**Session Classification :** Generalized Reed-Muller codes and the Smith form of projective incidence matrices
