

The Abdus Salam
**International Centre
for Theoretical Physics**

WORKSHOP on PHYSICAL VIROLOGY 24 - 28 September 2012

Venue: ADRIATICO GUEST HOUSE - KASTLER LECTURE HALL

IMPORTANT NOTICE

On the occasion of the upcoming **WORKSHOP on PHYSICAL VIROLOGY** taking place from **24 - 28 September 2012**, ref.smr.2367, attempts will be made to video record all presentations and discussions, and to store them on the ICTP website <http://www.ictp.tv>

The Abdus Salam International Centre for Theoretical Physics (ICTP) is allowed to publish the authorized recorded material and distribute it in other digital form (e.g. in the form of CD/DVD ROM, pendrive, etc.) for educational purposes. No intellectual property rights are transferred to ICTP via these recordings, and the lecturer/speaker/participant will be free to use the given material.

The ICTP will not transfer rights to other Organizations, nor will it be used for any commercial purposes. Please note, ICTP is not to endorse or sponsor any particular commercial product, service or activity, and will explicitly note that the user of the material cannot herself or himself commercialize it for her/his personal benefit.
