

Behind Neutrino Mass - Workshop on theoretical aspects of the neutrino mass and mixing | (smr 2366)

Contribution ID : 20

Type : not specified

Testing radiative neutrino mass mechanisms at the LHC

Wednesday, 19 September 2012 09:40 (0:25)

Content

Summary

Primary author(s) : RAYMOND VOLKAS (University of Melbourne, Australia)

Presenter(s) : RAYMOND VOLKAS (University of Melbourne, Australia)

Session Classification : Testing radiative neutrino mass mechanisms at the LHC
