

**16th International Workshop on Computational Physics and Materials
Science: Total Energy and Force Methods | (smr 2440)**

Contribution ID : **17**

Type : **not specified**

RPA correlation potential in the adiabatic connection fluctuation-dissipation formalism

Friday, 11 January 2013 11:00 (0:30)

Content

Summary

Primary author(s) : STEFANO DE GIRONCOLI (SISSA, Italy)

Presenter(s) : STEFANO DE GIRONCOLI (SISSA, Italy)

Session Classification : RPA correlation potential in the adiabatic connection fluctuation-dissipation formalism
