

Bridging density-functional and many-body perturbation theory: orbital-density dependence in electronic-structure functionals

Saturday, 12 January 2013 12:00 (0:30)

Content

Summary

Primary author(s) : ANDREA FERRETTI (University of Modena, Italy)

Presenter(s) : ANDREA FERRETTI (University of Modena, Italy)

Session Classification : Bridging density-functional and many-body perturbation theory: orbital-density dependence in electronic-structure functionals
