

Wave turbulence, Bose-Einstein condensation and Berezinski-Kousterlitz-Thouless transition in 2D NLS system

Friday, 19 July 2013 09:00 (0:30)

Content

Summary

Primary author(s) : S. NAZARENKO (Warwick University, UK)

Presenter(s) : S. NAZARENKO (Warwick University, UK)

Session Classification : Wave turbulence, Bose-Einstein condensation and Berezinski-Kousterlitz-Thouless transition in 2D NLS system
