

# Random weighted projections, random quadratic forms and random eigenvectors

*Friday, 13 September 2013 09:30 (0:50)*

## Content

## Summary

**Primary author(s)** : KE WANG (Institute for Mathematics and its Applications, USA)

**Presenter(s)** : KE WANG (Institute for Mathematics and its Applications, USA)

**Session Classification** : Random weighted projections, random quadratic forms and random eigenvectors
