

# Universal dielectric breakdown and synaptic behavior in Mott insulators

*Tuesday, 15 October 2013 17:15 (0:45)*

## Content

## Summary

**Primary author(s) :** MARCELO JAVIER ROZENBERG (CNRS & LPS, Université Paris-Sud, France)

**Presenter(s) :** MARCELO JAVIER ROZENBERG (CNRS & LPS, Université Paris-Sud, France)

**Session Classification :** Universal dielectric breakdown and synaptic behavior in Mott insulators
