

Order parameter dynamics in Density Waves probed by femtosecond electron diffraction

Wednesday, 16 October 2013 11:00 (0:45)

Content

Summary

Primary author(s) : JURE DEMSAR (Ilmenau University of Technology, Germany)

Presenter(s) : JURE DEMSAR (Ilmenau University of Technology, Germany)

Session Classification : Order parameter dynamics in Density Waves probed by femtosecond electron diffraction
