

# Real-space nonequilibrium dynamical-mean simulations for photo-excited hetero-structures and surfaces

*Thursday, 17 October 2013 09:00 (0:45)*

## Content

## Summary

**Primary author(s) :** MARTIN ECKSTEIN (Center for Free-Electron Laser Science, Hamburg, Germany)

**Presenter(s) :** MARTIN ECKSTEIN (Center for Free-Electron Laser Science, Hamburg, Germany)

**Session Classification :** Real-space nonequilibrium dynamical-mean simulations for photo-excited hetero-structures and surfaces
