

Fractional Quantum Hall Matrix Product States For Interacting Conformal Field Theories

Wednesday, 18 December 2013 11:30 (1:00)

Content

Summary

Primary author(s) : ANDREI BERNEVIG (Princeton University, Center for Theoretical Science, Princeton, NJ, U.S.A.)

Presenter(s) : ANDREI BERNEVIG (Princeton University, Center for Theoretical Science, Princeton, NJ, U.S.A.)

Session Classification : Fractional Quantum Hall Matrix Product States For Interacting Conformal Field Theories
