# Advanced Workshop on Structural Biology: Using Synchrotron Radiation to Visualise Biological Molecules | (smr 2578)

## Monday 15 December 2014

### Morning Session - AGH (Giambiagi Lecture Hall) (09:00-14:30)

time	title	presenter
09:00	Welcome address	NIEMELA, Joseph
09:10	An introduction to crystallography	RUPP, Bernhard
10:00	Cloning, protein expression and purification - Part 1	UNGER, Tamar
11:00	Coffee break	
11:20	Cloning, protein expression and purification - Part 2	UNGER, Tamar
13:00	Lunch break
