# Joint ICTP-IAEA Workshop on Nuclear Reaction Data for Nuclear Power Applications | (smr 2605)

## Tuesday 23 September 2014

- AGH (Giambiagi Lecture Hall) (08:30-16:30)

time	title	presenter
08:30	Cross Section Measurements and Uncertainties of Cross Section Data (I)	A. PLOMPEN
10:00	Coffee Break	
10:30	Statistical Theory of Nuclear Reactions, Channel Widths and Level Densities	S. HILAIRE
12:00	LUNCH BREAK	
13:30	Capture and fission cross section measurements and uncertainties by TOF method (I)	D. CANO-OTT
15:00	Coffee Break	
15:30	Capture and fission cross section measurements and uncertainties by TOF method (II)	D. CANO-OTT
