The currency of Argentina is the PESO (\$). The exchange rate between PESO and USD at present (November 19, 2014) is about \$ 8.50: US\$1 - the exchange rate between PESO and EURO is about \$10.60: EURO 1.

Transportation from/to the airport

A taxi or remis ride from the Ezeiza International Airport to downtown will have a cost of about 40 US\$. If you wish to take a remis or taxi, book it with one of the authorized agencies that you will find at the airport, just at the exit from the customs area (check the website <http://www.aa2000.com.ar/taxisyremises.aspx>).

We recommend 'Manuel Tienda Leon' (<http://www.tiendaleon.com.ar/home/home.asp>) which has buses departing for Buenos Aires city every 30' at a cost of aprox. 15 US\$. The booth of the company is in the arrival area at the Ezeiza airport. The bus is direct to the bus terminal (Terminal Madero located in Av. Madero 1299, Buenos Aires). The company also offers a car service to drop you at your hotel from the bus terminal Terminal Madero located in Av. Madero 1299, Buenos Aires.

This service is recommended you should then book it upfront when buying your ticket at the Ezeiza airport (cost of bus+ drop car service aprox. 20 US\$).
