

International Workshop on Computational Physics and Materials Science:
Total Energy and Force Methods | (smr 2703)

Contribution ID : 8

Type : **not specified**

Electronic, optical and vibronic coupling in organic systems from many-body perturbation theory

Thursday, 15 January 2015 16:00 (0:30)

Content

Summary

Presenter(s) : BLASE, Xavier (Institut Neel, Grenoble)

Session Classification : Excitation Spectra
