School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Wednesday 16 September 2015

Morning Session 15 - AGH (Kastler Lecture Hall) (08:30-14:00)

time	title	presenter
08:30	Stochastic Series Expansion Method for Simulations of Quantum Spins	SANDVIK, Anders W.
10:00	Coffee break	
10:30	Ground-state Projection of Quantum Spins in the Valence Bond Basis	SANDVIK, Anders W.
12:00	Lunch break
