School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Thursday 17 September 2015

Afternoon Session 18 - AGH (Kastler Lecture Hall) (14:00-17:30)

| time | title | presenter |
|-------|---|---------------|
| 14:00 | Sampling and Integration: From Gaussians to Maxwell and Boltzmann | KRAUTH, Wemer |
| 15:30 | Coffee break | |
| 16:00 | Classical Lattice Spin Models: Ising Model, XY Model | KRAUTH, Wemer |
