

“AI at the Edge” & the Future of Edge ML

Daniel Situnayake, Head of ML
Jenny Plunkett, Senior DevRel Engineer
Edge Impulse
April 17, 2023

Motivation for “AI at the Edge”

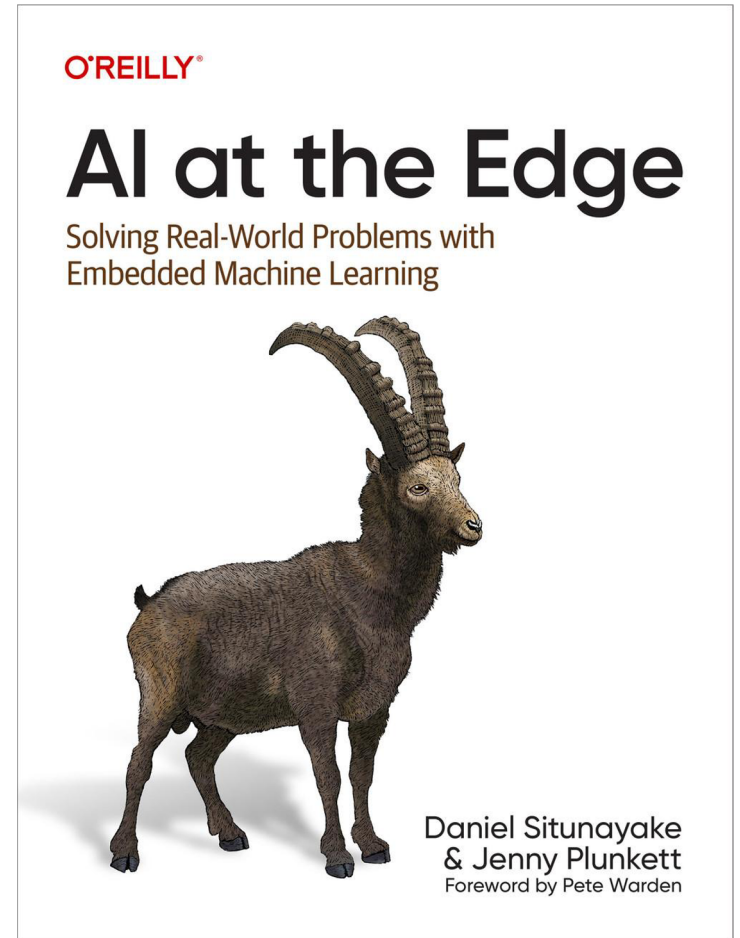

Motivation for “AI at the Edge”

TinyML by Pete Warden & Daniel Situnayake

Field has evolved

Introduce Edge AI to wider audience

Ethical & practical use cases

The Future of Edge AI

The Future of Edge AI

Near term adoption

Hardware & algorithms

Large & generative models

Long term change

Challenges & Opportunities

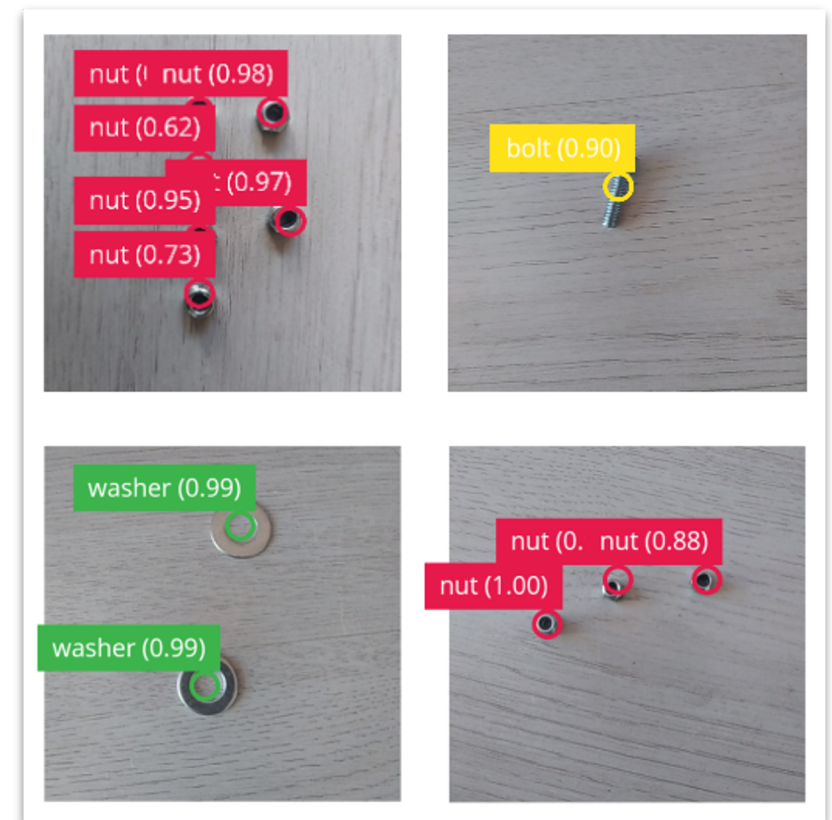

Challenges & Opportunities

Business

Research

Career
