

Final draft of the SDI Management & Data Governance plan for the country

Tuesday, 11 July 2023 09:00 (2:00)

Content

Final draft of the SDI Management & Data Governance plan for the country. The participants will put all knowledge acquired during the workshop together to prepare a “sustainable” plan including best practices for: • Working Groups • User Management • Data Governance • Data Security
This should reflect the existing situation, strengths and weaknesses of their plan and suggested ways forward

Summary

Session Classification : Geospatial data, best practices for collection and management
