

Welcome to our cloud quiz!

Find that cloud!

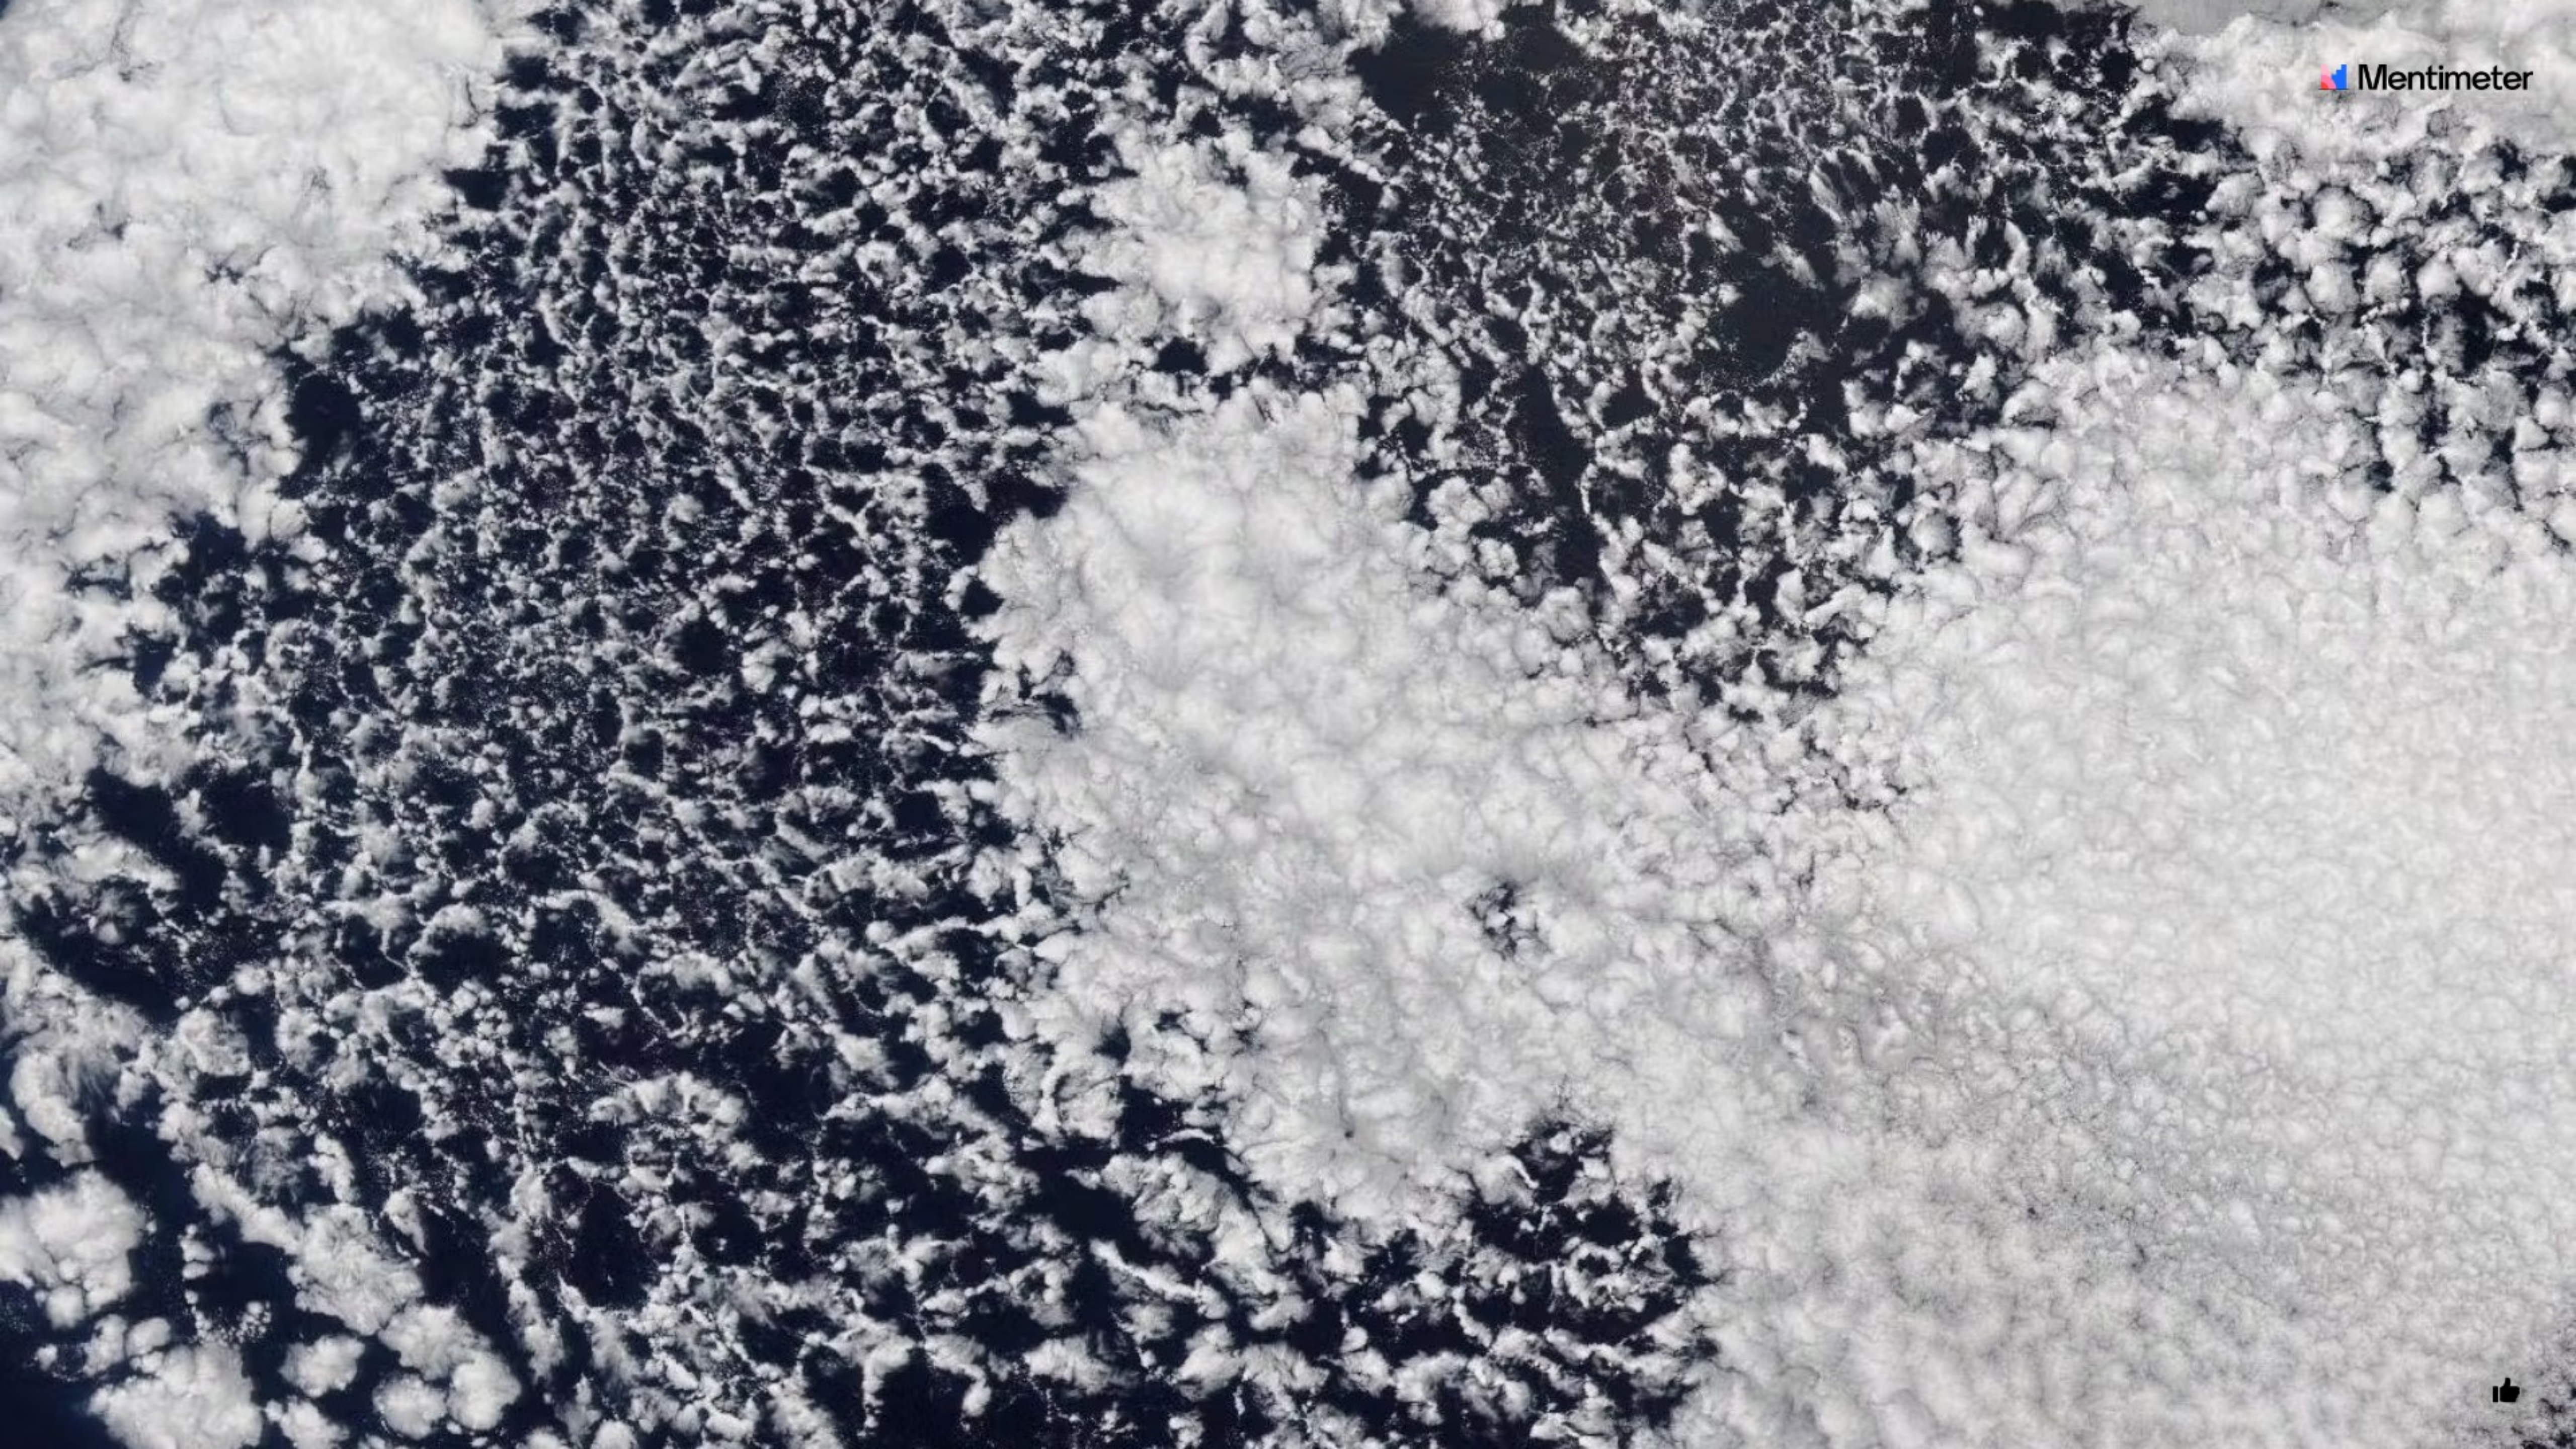

How does it work

I will show you a picture of a cloud, which has been taken from [nasa.worldview](https://worldview.nasa.gov).

The images have been taken from **all around the globe**, from the **26th of August to Today**.

Find the cloud and report your answer on the map!

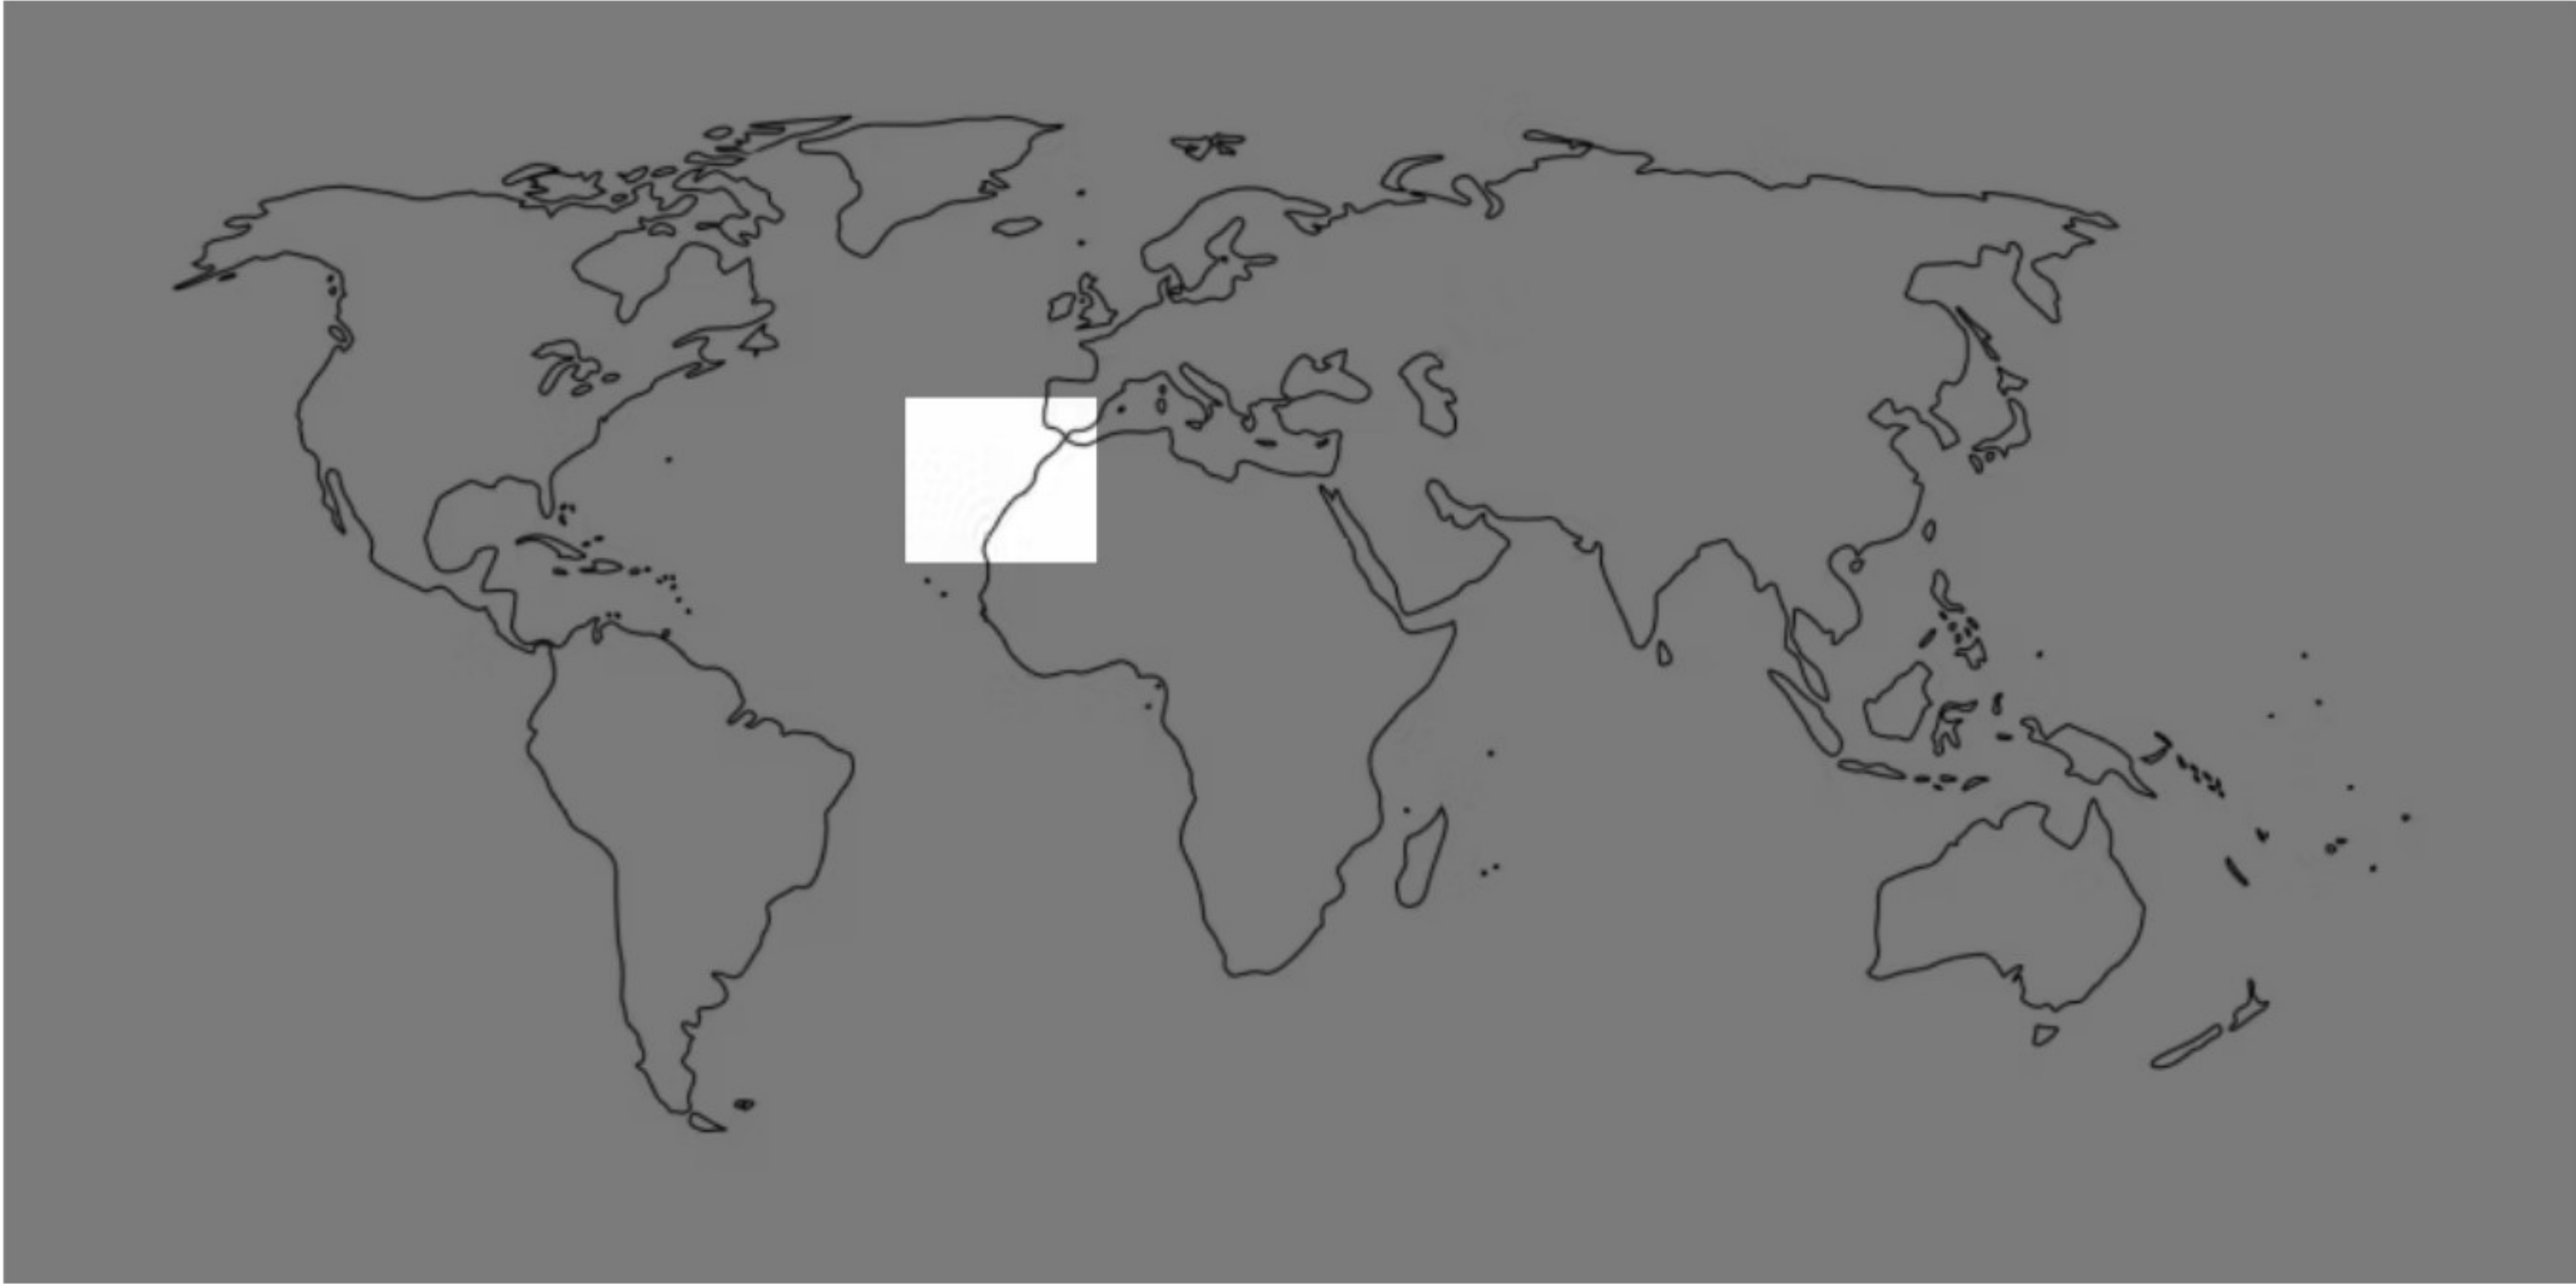

Pin on Image

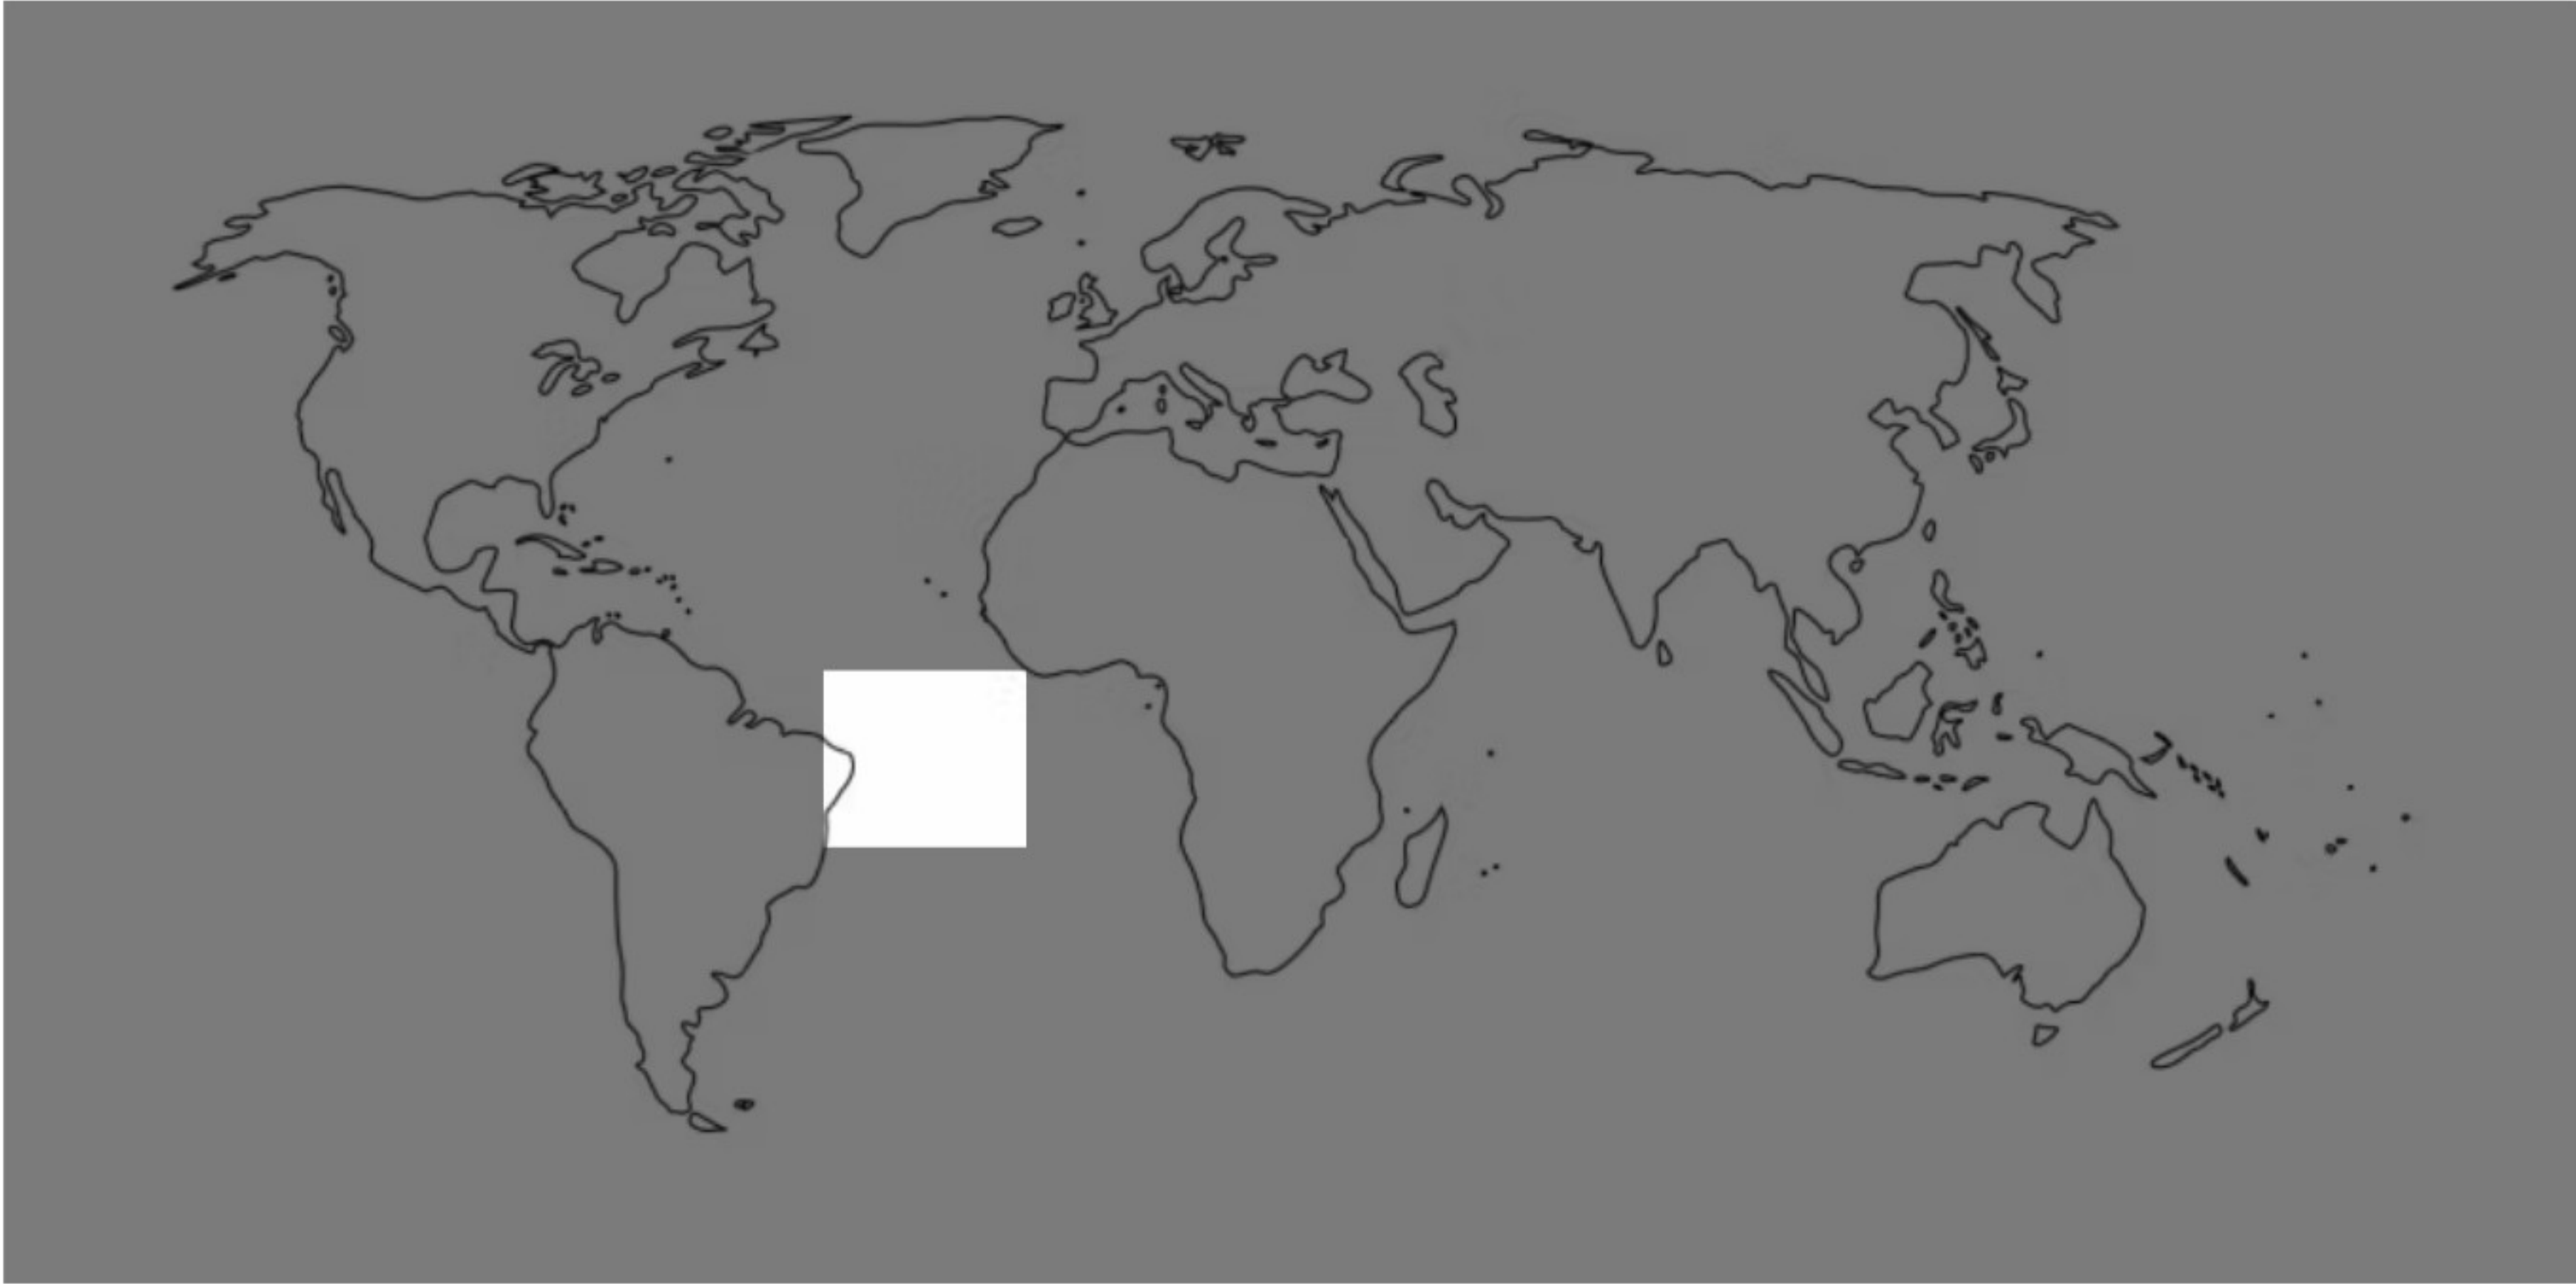

Second cloud

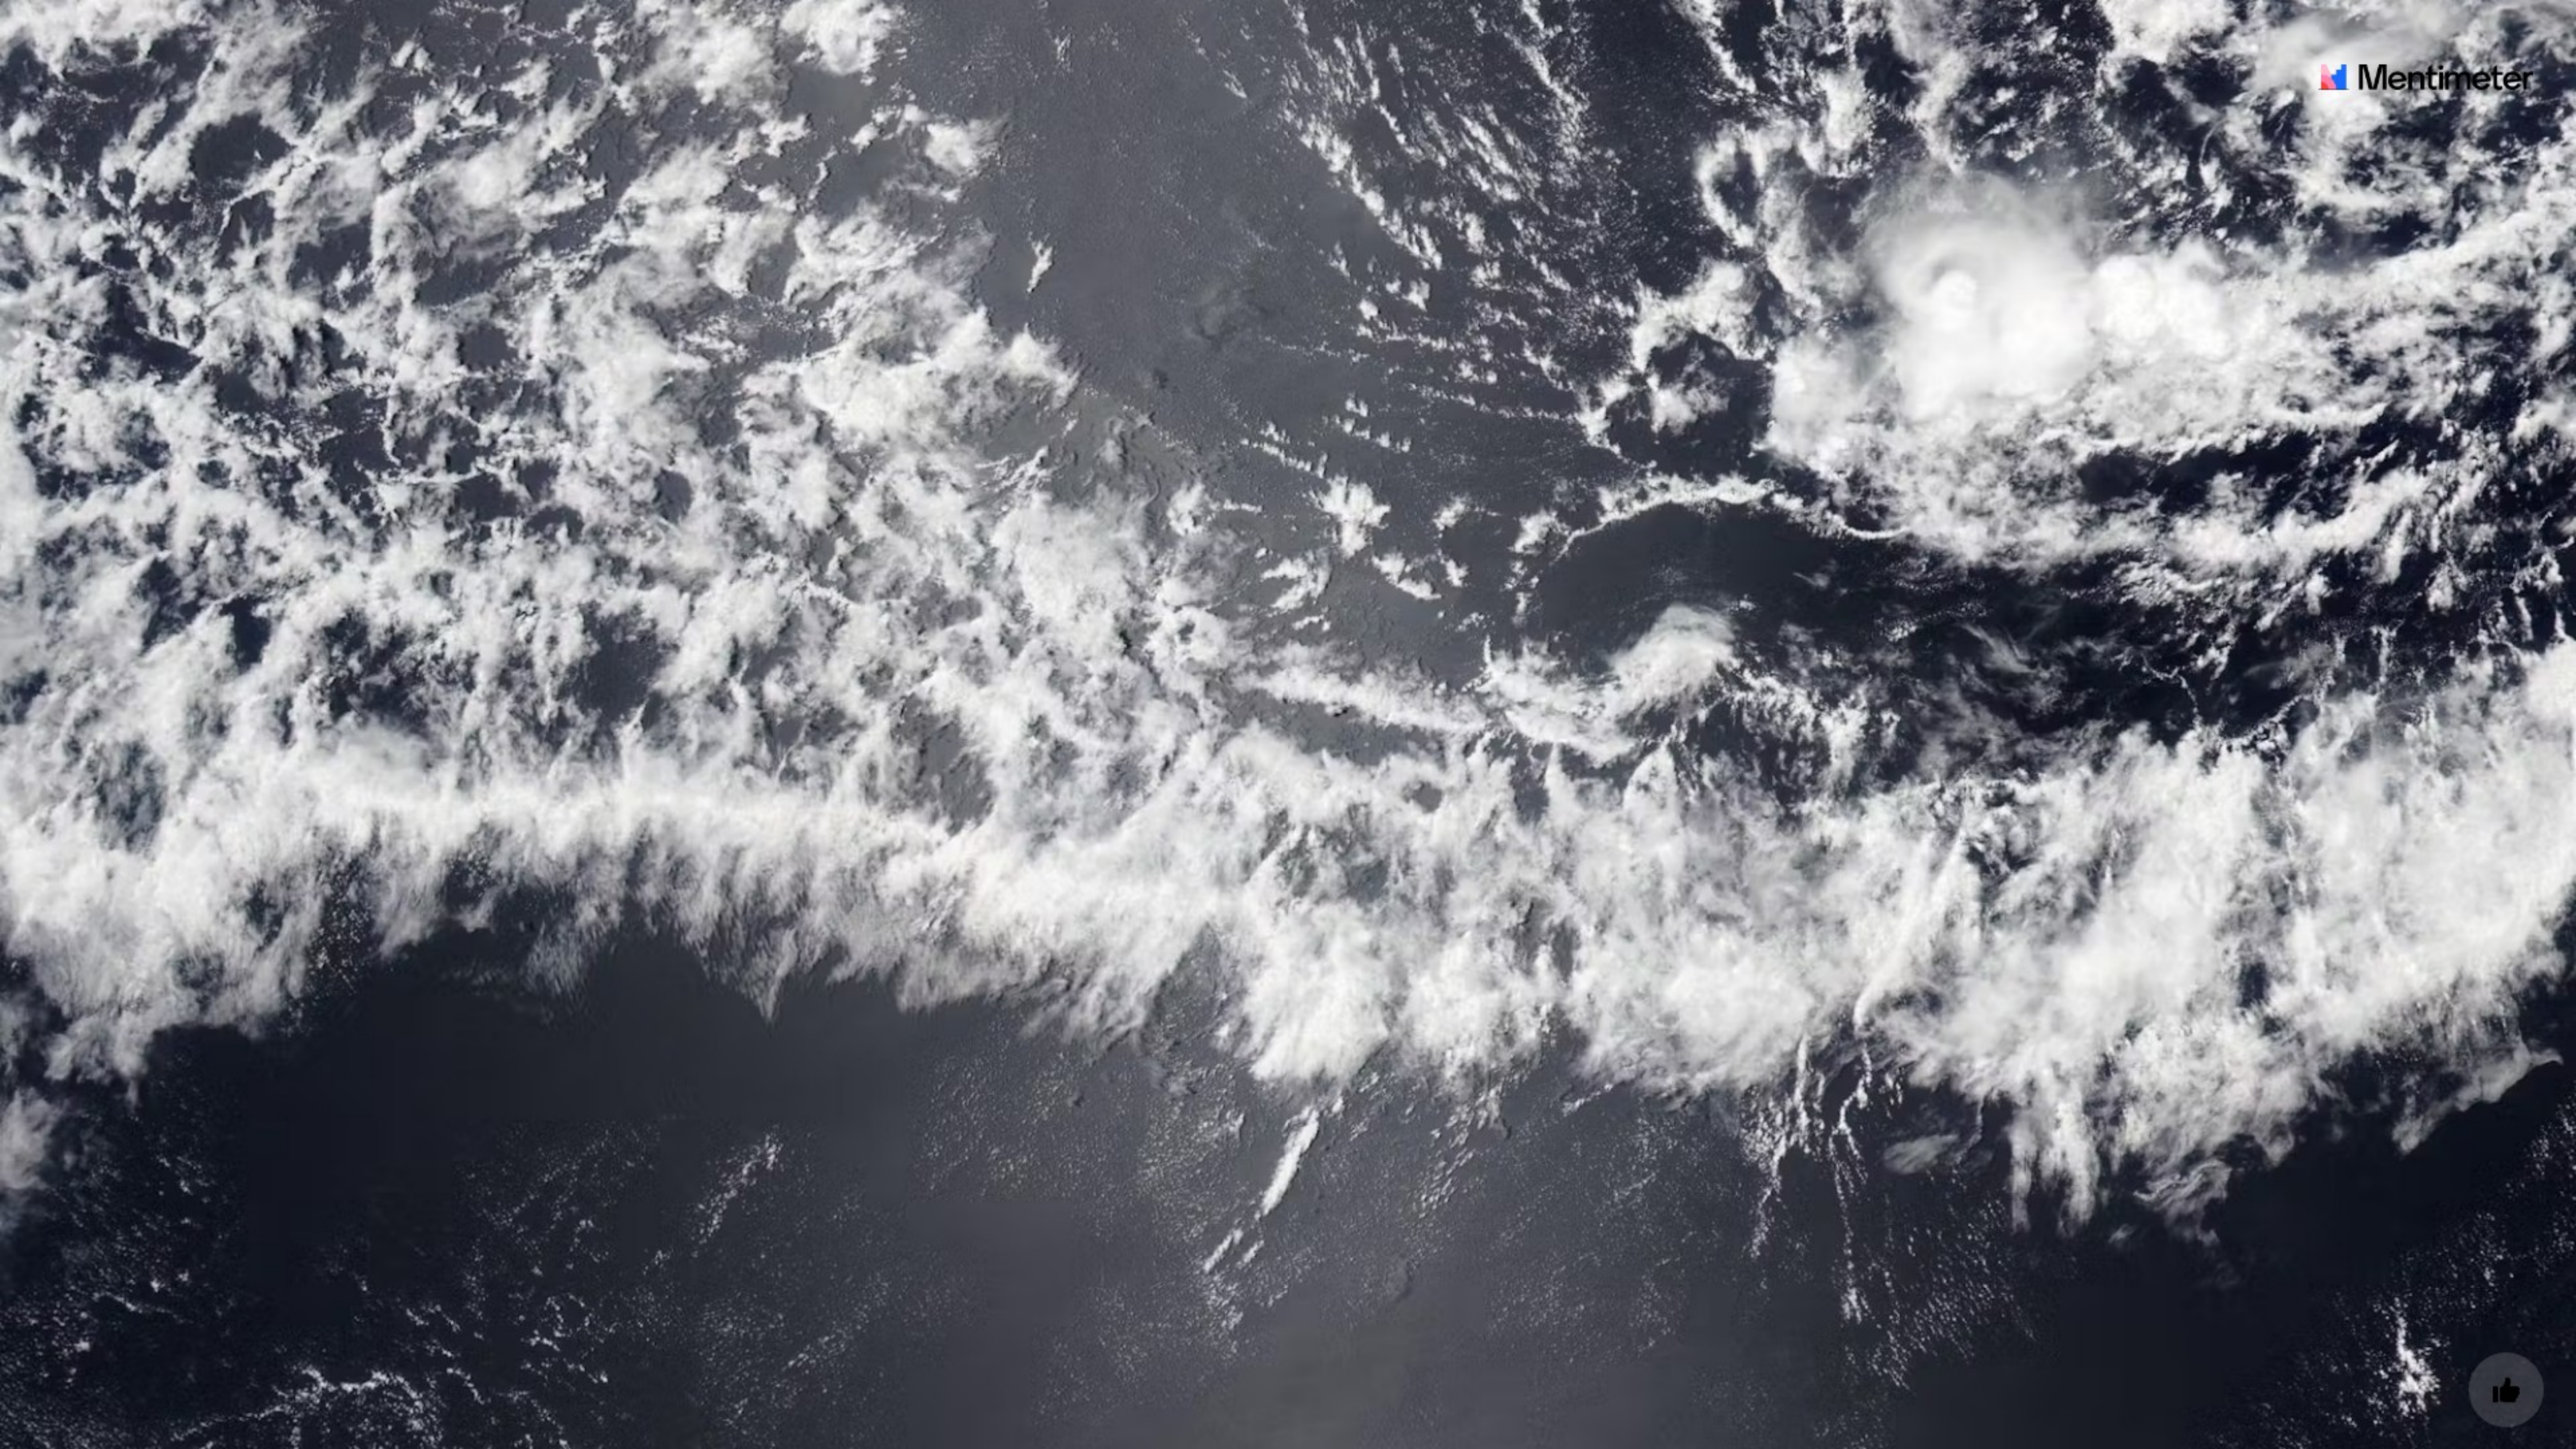

Third cloud

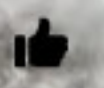

Forth cloud

Fifth cloud

Final cloud

Thanks
