3rd Workshop on Cloud Organisation and Precipitation Extremes - WCO3 | (smr 3870)

Thursday 07 September 2023

Deep Convective Organization - Kastler Lecture Hall (AGH) (09:00-11:00)

time	title	presenter
09:00	Organization of deep convection in the Atlantic ITCZ	JULIA MIRIAM WINDMILLER
09:30	Analyzing the ability to identify convective organization by indices	GIULIO MANDORLI
09:45	Atmosphere-Ocean Coupled Energy Budgets of Shallow and Deep Tropical Convective Discharge-Recharge Cycles	BRANDON WOLDING
10:00	Impact of the mesoscale organization of deep convection on the tropospheric humidity and vapor isotopic composition: satellite observations, cloud-resolving models and general circulation models	CAMILLE RISI
10:15	Discussion	
10:30	Coffee break
