3rd Workshop on Cloud Organisation and Precipitation Extremes - WCO3 | (smr 3870)

Wednesday 06 September 2023

Shallow Convective Organization pt. III - Kastler Lecture Hall (AGH) (14:15-15:45)

time	title	presenter
14:15	Convective steady state (CSS) as a baseline for shallow cloud organization	ILAN KOREN
14:45	Shallow circulations rooted in shallow convection across the trade-wind mesoscales	MARTIN JANSSENS
15:00	Organized patterns in greenCu; continental shallow convective clouds	TOM DROR
15:15	Evolution of Cloud Production across Trade Wind Mesoscale Morphology Types	ISABEL LOUISE MCCOY
15:30	Discussion
