Joint ICTP-IAEA Workshop on Degradation Modelling of Disposed Radioactive Wasteforms | (smr 3875)

Wednesday 20 September 2023

Introduction to Waste Form Degradation Modelling (Part I) - Budinich Lecture Hall (LB) **(09:00-17:00)**

time	title	presenter
09:00	Modelling approaches and transport pathways	VICKY FREEDMAN
09:50	Introduction to atmospheric transport modelling	VICKY FREEDMAN
10:40	COFFEE BREAK	
10:55	Applied transport modelling	VICKY FREEDMAN
11:50	Translating chemistry of cement waste forms into modelling	ANGELIQUE ROUSSELET
12:45	LUNCH	
13:50	Interactive session: Tutorial based modelling exercises in computer facility of ICTP (Part 1)	VICKY FREEDMAN
15:00	Coffee break	
15:20	Interactive session: Tutorial based modelling exercises in computer facility of ICTP (Part 1)	VICKY FREEDMAN
