

Variations of total electron content with solar wind parameters at high-latitude ionosphere

Thursday, 1 June 2023 16:00 (0:15)

Content

12 min presentation + 3 min discussion

Summary

Presenter(s) : PELIN IOCHEM (German Aerospace Center (DLR), Institute for Solar-Terrestrial Physics, Germany)

Session Classification : SESSION 3. Effect of Space Weather on the Earth's ionosphere, thermosphere, and magnetosphere system
