

ICTP-SCOSTEP-ISWI Workshop on the Predictability of the  
Solar-Terrestrial Coupling - PRESTO | (smr 3898)

Contribution ID : 68

Type : **not specified**

## **Towards a better understanding of the ionosphere-thermosphere responses to magnetospheric and wave forcings**

*Friday, 2 June 2023 10:20 (0:25)*

### **Content**

20 min presentation + 5 min discussion

### **Summary**

**Presenter(s) :** XIAN LU (Clemson University, USA)

**Session Classification :** SESSION 3. Effect of Space Weather on the Earth's ionosphere, thermosphere, and magnetosphere system
