

ICTP-SCOSTEP-ISWI Workshop on the Predictability of the
Solar-Terrestrial Coupling - PRESTO | (smr 3898)

Contribution ID : 77

Type : **not specified**

Ionospheric weather at two Starlink launches during two-phase geomagnetic storms

Friday, 2 June 2023 14:00 (0:15)

Content

12 min presentation + 3 min discussion

Summary

Presenter(s) : TAMARA GULYAEVA (Institute of Terrestrial Magnetism, Ionosphere and Radio Wave Propagation, Russia)

Session Classification : SESSION 3. Effect of Space Weather on the Earth's ionosphere, thermosphere, and magnetosphere system
