# School on Synchrotron Light Sources and Their Applications | (smr 3917)

Monday 15 January 2024

notitle - Online (13:50-18:00)

*Chair: Andrea Lausi (SESAME, Jordan)*

| time  | title                                                    | presenter            |
|-------|----------------------------------------------------------|----------------------|
| 13:50 | Opening Remarks                                          | ATISH DABHOLKAR      |
| 14:00 | Opening Remarks and the History of SESAME                | KHALED TOUKAN        |
| 15:00 | Road to the African Light Source                         | SIMON CONNELL        |
| 16:00 | Group photo                                              |                      |
| 16:05 | Fundamentals of Synchrotron Radiation from Storage Rings | GIORGIO MARGARITONDO |
| 17:05 | Fundamentals of X-ray Interactions with Matter           | GIORGIO MARGARITONDO |
