

6th Workshop on Water Resources in Developing Countries: Hydroclimate Modeling, Information Tools and Simulation Techniques | (smr 3939)

Contribution ID : **69**

Type : **not specified**

Hydrologic Modeling Requirements: Calibration and parameter Estimation (Part I)

Monday, 20 May 2024 10:00 (1:00)

Content

Summary

Presenter(s) : SOROOSH SOROOSHIAN (CHRS University of California, Irvine, USA)

Session Classification : not yet classified
