

6th Workshop on Water Resources in Developing Countries: Hydroclimate Modeling, Information Tools and Simulation Techniques | (smr 3939)

Contribution ID : **97**

Type : **not specified**

Lab - "The sensitivity of shallow water hydrodynamic simulations to hydrological boundary conditions"

Thursday, 23 May 2024 14:00 (1:30)

Content

ARPA FVG hands on session - Groups A

Summary

Presenter(s) : ALESSANDRO MINIGHER (ARPA FVG, ITALY), DARIO GIAIOTTI (ARPA FVG, ITALY)

Session Classification : not yet classified
