# Celebrating 60 Years of the Associates Programme

AN ICTP 60<sup>TH</sup> ANNIVERSARY EVENT

The Associates Programme is one of the most successful initiatives of ICTP, with its inception dating back to ICTP's foundation in 1964.

This conference is a celebration of its 60th anniversary and it also marks the 10th anniversary of the partnership with the Simons Foundation for the Simons Associates Programme.

The conference will provide a forum for the current Associates and ICTP Simons Associates to exchange valuable personal and scientific experiences, and to engage in discussions that will help shaping the future of the programme.

The programme of the conference will branch in a variety of components of general interest, including but not limited to:

- Sessions with historical remarks;
- Colloquium talks on modern themes;
- Invited talks on scientific advances;
- Panel discussions;
- Career development sessions;
- Social events.
