

4th Workshop on convective organization and precipitation extremes
(WCO4) | (smr 3992)

Contribution ID : 162

Type : **not specified**

**Progress in convection parameterization using
multiscale and multcloud modeling constrained by
observations**

Tuesday, 9 July 2024 16:30 (0:30)

Content

Summary

Presenter(s) : BOUALEM KHOUIDER (University of Victoria, Canada)

Session Classification : Conceptual models/shallow cumulus
