

4th Workshop on convective organization and precipitation extremes
(WCO4) | (smr 3992)

Contribution ID : 163

Type : **not specified**

Formation of Shallow Cumulus Patterns Using a Warm Cloud- Precipitation Competition Model

Tuesday, 9 July 2024 17:00 (0:15)

Content

online

Summary

Presenter(s) : MICHELLE KANIPE (Colorado State University, USA)

Session Classification : Conceptual models/shallow cumulus
