

4th Workshop on convective organization and precipitation extremes  
(WCO4) | (smr 3992)

Contribution ID : 180

Type : **not specified**

# Organization of deep convection and morphology of tropical convective systems: insights from satellite observations

*Wednesday, 10 July 2024 17:00 (0:15)*

**Content**

**Summary**

**Presenter(s) :** RÉMY DOMINIQUE ROCA (CNRS, France)

**Session Classification :** Observations of convective building blocks
