

4th Workshop on convective organization and precipitation extremes  
(WCO4) | (smr 3992)

Contribution ID : 181

Type : **not specified**

# Multiscale Controls on Oceanic Tropical Precipitation in Observations and Models

*Wednesday, 10 July 2024 17:15 (0:15)*

**Content**

**Summary**

**Presenter(s)** : PEDRO ANGULO UMANA (University of Washington, USA)

**Session Classification** : Observations of convective building blocks
