

**PWF Tunisia: Computational Materials Science based on  
Density-Functional Theory for Renewable Energy and Spintronics**

Contribution ID : 17

Type : **not specified**

**Computational materials science for functional  
materials: fundamental science for development**

*Friday, 20 September 2024 08:30 (1:30)*

**Content**

**Summary**

**Presenter(s)** : Dr. SERIANI, Nicola

**Session Classification** : Day 5
