

22nd International Workshop on Computational Physics and Materials
Science: Total Energy and Force Methods | (smr 4050)

Contribution ID : 27

Type : **not specified**

Discussion session

Friday, 10 January 2025 09:10 (1:00)

Content

Moderator: Shobhana Narasimhan (Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore, India)

Summary

Presenter(s) : NEATON, Jeff (University of California, USA); GALI, Giulia (The University of Chicago, USA); MARZARI, Nicola (Swiss Federal Institute of Technology, Switzerland)

Session Classification : Electronic structure grand challenges in the age of AI and quantum computing
