

22nd International Workshop on Computational Physics and Materials
Science: Total Energy and Force Methods | (smr 4050)

Contribution ID : 16

Type : **not specified**

Advancing solid interfaces and lubricants by first principles material design

Wednesday, 8 January 2025 16:30 (0:30)

Content

Summary

Presenter(s) : RIGHI, Maria Clelia (University of Bologna, Italy)

Session Classification : Materials Design and Discovery I
