

22nd International Workshop on Computational Physics and Materials  
Science: Total Energy and Force Methods | (smr 4050)

Contribution ID : 17

Type : **not specified**

# Accelerating materials design with AI emulators and generators

*Wednesday, 8 January 2025 17:00 (0:30)*

## Content

## Summary

**Presenter(s)** : ZENI, Claudio (Microsoft Research AI4Science, UK)

**Session Classification** : Materials Design and Discovery I
