# Joint ICTP-IAEA Advanced Workshop on Single Ion Technologies for Bio-medical and Materials Sciences | (smr 4082)

## Friday 04 July 2025

**- Giambiagi Lecture Hall (AGH) (08:30-13:00)**

time	title	presenter
08:30	Lecture 16: Participants talks (Sandia and Harvard Medical School)	
09:30	Single ion "Clinic"	
10:30	Coffee Break	
11:00	The way forward - future role and potential of single ion techniques	
12:00	Evaluation of the workshop	
12:10	Best poster award	
12:20	Best project award	
12:30	Feedback of the participants	
12:55	Closing of the workshop
