PWF Ivory Coast: Course on Applications of Group Theory in Physics

Wednesday 11 December 2024

Day 5 (08:30-12:30)

time	title	presenter
08:30	Session 9 - Eigenvectors of an operator and irreducible representations of a group and discussions	
10:30	Break	
11:00	Session 10 - Wave functions and rotation group, irreducible representations of rotation groups and spin and discussions
