Prize Ceremony

The Walter Kohn Prize

Join us in honouring the recipient of the 2026 prize:

Professor

Wan-Jian Yin

Soochow University
China

for pioneering contributions to computational materials science via the integration of first-principles calculations and artificial intelligence, accelerating materials discovery and enabling the prediction, inverse design and synthesis planning of property-targeted new materials.

Thursday 14 January 2027, 16:00
Budinich Lecture Hall

introduction by

co-funded by ICTP and the Quantum ESPRESSO Foundation

The Abdus Salam International Centre for Theoretical Physics

IAEA International Atomic Energy Agency
