

**Winter College on Optics: Optical Frequency Combs - from multispecies gas sensing to high precision interrogation of atomic and molecular targets |  
(smr 2811)**

Contribution ID : **28**

Type : **not specified**

## **Coherent comb-matter interaction - part 2**

*Tuesday, 23 February 2016 10:30 (2:00)*

### **Content**

### **Summary**

**Presenter(s) :** TICJIANA BAN (Institute of Physics Bijenička - CROATIA)

**Session Classification :** not yet classified
