

Winter College on Optics: Optical Frequency Combs - from multispecies gas sensing to high precision interrogation of atomic and molecular targets | (smr 2811)

Contribution ID : 29

Type : **not specified**

Direct Comb spectroscopy on Gas-filled optical fibers

Tuesday, 23 February 2016 14:00 (1:00)

Content

Summary

Presenter(s) : KRISTAN CORWIN (Kansas State University, U.S.A.)

Session Classification : not yet classified
