

Winter College on Optics: Optical Frequency Combs - from multispecies gas sensing to high precision interrogation of atomic and molecular targets | (smr 2811)

Contribution ID : 31

Type : **not specified**

Cavity-enhanced direct comb spectroscopy

Wednesday, 24 February 2016 09:00 (2:00)

Content

Summary

Presenter(s) : PIOTR MASLOWSKI (Uniwersytet Mikołaja Kopernika - POLAND)

Session Classification : not yet classified
