

Winter College on Optics: Optical Frequency Combs - from multispecies gas sensing to high precision interrogation of atomic and molecular targets | (smr 2811)

Contribution ID : 37

Type : **not specified**

Frequency comb spectroscopy outside the laboratory - part 1

Thursday, 25 February 2016 14:00 (1:30)

Content

Summary

Presenter(s) : RONALD HOLZWARTH (Menlo Systems Gmbh - GERMANY)

Session Classification : not yet classified
