Conference on New Trends in Quantum Heat and Thermoelectrics | (smr 2824)

Contribution ID : 97

Type : not specified

## Interference-induced thermoelectric switching and heat rectification in quantum Hall junctions

Tuesday, 23 August 2016 16:45 (0:15)

Content

Summary

 Presenter(s) :
 LUCA VANNUCCI (University of Genova, Italy)

 Session Classification :
 not yet classified
